

Placement Policies

Students of batch 2026 - 2027 attending the campus process may note the following placement regulations: -

One Student One Job:

1. Every student eligible for the campus recruitment is entitled to only one job. The student is not allowed to exchange the job once he gets placed in a company. They are advised to study the company portfolio before they apply.
2. The students who get a placement offer or a pre-placement offer on the basis of their 3rd-year interns are not allowed to appear for any other placement program offered by any company except the dream company.
3. The same will be applied on final year internships for B.Tech and M.Tech. Students who get an on-campus internship are not eligible for any other opportunity.
4. If a student is selected for full time hiring or internship through coding contest, hackathon, or any other competitive event promoted by the T&P cell, then it will be considered as an on campus selection and students thus selected by this procedure will not be allowed to appear for any other placement program offered by any company except the dream company. Until explicitly specified that it is an off campus selection procedure.
5. In case of students who are waiting for their PPO's from on campus Internships. Until you get the PPO offer from the company you have the option for choosing between any on campus offer that you're getting from another company or the PPO as per your wish. If you later get your PPO and want to leave the on campus offer you can reject the offer and accept the PPO. But once any on campus offer is rejected you cannot sit in any other on campus placement companies except the dream companies. In a similar case if you get your PPO, you cannot sit on any other on campus placement companies except dream.
6. In light of current market conditions and after evaluating placement policies from leading institutions such as IITs and NITs, students with 6-month internships that include performance-based PPOs will not be allowed to sit in further placement process. These students will be given opportunities to secure FTE offers once a significant number of placements have been completed within their respective branches or later in the placement season.

Dream Status Policy:

Although usually, we do not give dream status to any company to ensure following our major policy, One Student One Job, the institute would be giving Dream Status to certain companies based on their profile that is being offered to students and ongoing placements. The eligibility of the company for "Dream Status" lies solely in the hands of the Training & Placement Officer.

Public Sector Undertaking Companies:

If a student gets selected in any PSU (Either Dream or Normal), he/she is not eligible for any other company, whatsoever be the company's status.

Sponsored Candidates:

- MTech - Self Sponsored students are allowed for the placements but company sponsored students are not allowed for on-campus opportunities.
- Sponsored Students of MBA / MUDP and Ph.D. are not allowed for the campus recruitment process.

New Policies:

1. 2M Internship Policy: Students who have completed a 2-month internship are eligible to sit for placements in every company. However, if they receive an offer from a company with a higher CTC than their internship company, they must notify the TPO via email on the same day, expressing their disinterest in the Pre-Placement Offer (PPO). Failure to send the email will result in their debarment from the placement season, avoiding multiple job offers.
2. Professional Conduct: We emphasize the importance of maintaining a positive image for our institute. If a student is found engaging in misconduct with a company's HR on social media platforms during or after graduation, their degree will be withheld for one year. This measure aims to prevent any tarnishing of MANIT's reputation after completion of your degree.
3. For students who have a 6-month internship in one company and receive a full-time employment (FTE) offer from another company, it is important to note that the date of joining (DOJ) should align with the FTE offer. The Training and Placement Cell (TPC) will not facilitate any requests for changing the DOJ as it can disrupt the joining schedule for other students. Once the company has provided the final dates, they will be considered binding.
4. Students must compulsorily accept the offer from their dream company. Only if they intend to join that particular company should they apply for it during the placement process. This ensures that students prioritize and commit to their dream job opportunities, promoting transparency and preventing wastage of valuable placement resources.

These policies have been implemented from 13th September 2024 to enhance the placement opportunities for all students and contribute to our institute's NIRF ranking. We appreciate your understanding and adherence to these guidelines, as they will collectively contribute to the success and growth of each individual and our institution as a whole.

Responsibilities for SPOC Person in TPC:

1. Completion of Company Files: The SPOC person, in coordination with TPC Office, is responsible for completing the file of each company within the same week of the completion of the recruitment process.

2. **Monitoring PPO Declarations:** The SPOC person will ensure that the Pre-Placement Offer (PPO) status is communicated by the company. They will keep track of the date of joining and the receipt of offer letters by the selected students.
3. **Intimation of Offer Letter Declines:** In cases where selected students choose to decline an offer letter, it is the responsibility of the SPOC person to inform the TPC promptly.
4. **Timely Student Notice Preparation:** The SPOC person will ensure that student notices are prepared by the TPC Office well in advance and communicated to the students in a timely manner.
5. **Coordination of Hospitality and Transportation:** The SPOC person, in collaboration with the TPC Office, will manage all necessary arrangements for hospitality and transportation during the recruitment process.
6. **Requirement of re-registration of students for their company:** The SPOC person should ensure that if the previous registration is done more than 20 days before the companies arrival then the re-registration should be done and the info should be shared with the HR and students accordingly.

Additional Guidelines:

- The SPOC person will be appointed exclusively from the Students TPC Committee.
- Personal email communication with company HRs is strictly prohibited for the SPOC person. All interactions with company representatives should be conducted through official channels.

These policies and guidelines are in place to ensure smooth operations and effective coordination within the Training and Placement Cell (TPC) and to maintain a professional approach throughout the recruitment process.

General Rules:

Registration

1. Register for the on-campus placements only when you are interested in appearing in the same. Students who are not sitting for on-campus placements are strictly forbidden to register for the same. If a student does not participate in further procedure of any company after registration, then he/she will be eligible to fill registration forms but debarred from the next three upcoming company proceedings, student is must ensure to not participate in 3 upcoming proceedings otherwise if found participating, then student will be debarred from complete placement session.
2. All those students whose results are withheld they need to mention WH Or Withheld in the CGPA sections of form for different companies instead of filling the CGPA. Any student not abiding by the following instructions and if caught will be debarred for 3 Months or from the entire placement process.
3. The Data provided by the students in the google form during registration should be 100% correct (The information related to CGPA and SGPA should be correct upto 2 decimal places and rounding off is not allowed). If any discrepancies found in the data submitted, the

student will be debarred from the placement process for 3 Months or from the entire placement process.

Selection process

4. The presence in the Pre-Placement Talk (PPT) is compulsory for all the students who are attending the company's recruitment procedure, The doors of the PPT hall will be closed 5 min prior to the starting of PPT.

Policy on Non-Attendance After Registration for Recruitment Process

If a student registers for the Onboarding Assessment (OA) or any company recruitment process but fails to attend without prior notice, the following rules will apply:

- 1. Mandatory Communication:

The student must inform the Training and Placement Cell (TPC) by sending an email to onlinetpwnitb@gmail.com explaining the reason for their unavailability before the scheduled process begins.

- 2. Consequences for Non-Compliance:

Failure to provide a valid reason in advance will result in disciplinary action.

- 3. Debarment Rule for not attending OA/ Interviews:

Any student who does not attend the OA after registration process will be debarred from 3 companies, and any student who does not attend interview process after registering/ attending OA, without prior intimation, will be debarred from the next five company recruitment opportunities. The disciplinary action will be taken as per the case.

5. After interview irrespective of the outcome the student has to submit a feedback in Training and Placement cell on the interview day itself.

Discipline

6. Any student who gets caught in cheating activities during the company's test will be debarred from the campus recruitment program for 3 months. If found indulging in such activities again, the student will be permanently debarred from the campus recruitment program.

7. Deliberate forgery of any kind or sharing any wrong information with the T&P cell, (as sharing incorrect pointers in the registered data, or mentioning misleading information on the resume) will lead to expulsion of the candidate from the entire placement process for the complete session.

8. Any student, who is found misbehaving with the HR / T&P Staff and company executives during the interview or any other process of campus drive will be debarred from attending the entire selection process of the concerned branch. If any student or guardian of any

student is found trying to contact or influence the HR, they will be debarred from the entire session.

9. After placement, if a student is found involved in forgery or any non-disciplinary act (like involvement in cheating activities during online test) necessary actions for job cancellation will be taken by the T&P cell and a report of the same will also be sent to the company's HR.

10. If a student is found giving an online test from any other place except the venue decided by the T&P cell, a case of forgery and cheating will be registered by T&P cell and student will be debarred for 3 Months or from the entire session.

Pre-placement offers

11. Any student, who is found contacting the company executives regarding the cancellation of PPOs or any other such matters, will be debarred from attending the entire campus selection process.

12. If a student is not interested in the company offering PPO, he/she must not participate in the internship test procedure itself.

Miscellaneous

13. If any student volunteer of the Training & Placement committee is found in any non-disciplinary act like giving misinformation to the TPC or to the company executives, forgery, involvement in cheating in the tests or in any other unlawful activities, they would immediately be removed from the student's TPC and information will be forwarded to the departmental HOD for action.

14. If any of the TPO Student committee members is found not contributing his/her services sincerely in the cell, he/ she will be removed from the said committee.

15. Student TPC members are not allowed for any kind of invigilation in any of the company's test process unless the duty is assigned to the student. In case any student is found doing invigilation, he/she will be removed from the TPC.

16. Student TPC members cannot share any information related to TPC Matters to anyone in the institute/outsider without the permission of the Training Placement Officer.

RULES FOR ONLINE TEST

1. Persons who are not allotted duties for the specified online test of a company must not be present for invigilation.
2. Mobile phones or any other electronics item are strictly not allowed while giving online tests. Keeping the mobile phone in silent mode or in switched off mode will be taken as a cheating activity. T&P cell is not responsible if the mobile phones are found to be missing.
3. Students need to bring college id-cards for the online tests otherwise they won't be allowed to write the test.

4. All online tests will be conducted as per the preference given by company.
5. Nobody will be allowed to enter the hall/lab after the scheduled start time for the test.
6. Nobody is allowed to leave the hall/lab during the test.
7. Company wise online test team should coordinate with the overall online team for the smooth conduction of online test. Company wise online test team will not be allowed to enter the hall.
8. It is mandatory to sign attendance register during the online test. No rough sheet or attendance sheet will be circulated inside the hall. Attendance will be verified with the results of the test and then only results will be announced.
9. If any student is caught in any cheating activities during the online test, he/ she will be debarred from the complete campus since it affects the name and reputation of the institute.
10. Students are not allowed to carry snacks in the labs.
11. It is compulsory for the students to write their name and scholar number on the rough sheets used during the test.
12. Students are advised to plug in the LAN cable and the power plugs back to their respective locations. You are under the surveillance of CCTV cameras and actions would be taken against student caught violating the rule.
13. If any electronic accessories is found to be missing after any online test, then the price of that particular accessories will be contributed by each students appeared on that particular online test within 2 days.

Rules for Virtual Campus Drive :

1. Interview Process -

- Online tests will be conducted for shortlisting the candidates for the first round
- After the online test virtual interviews will be conducted for shortlisted candidates. Number of virtual interviews will be purely dependent on the company selection process. After the virtual interview results will be announced and shared by the T & P cell.

2. New Debarment Rule -

- If any student is caught in any cheating activity during the online test or during the virtual interview process then, he/she will be debarred for the 3 Months without any exception.
- If any student does not have required pointer criteria as mentioned and shared by T&P cell for a particular company but still participates in the recruitment process of that company then he/she will be debarred from the next three companies on immediate effect.

3. As all the process will take place virtually so T&P cell has no responsibility, if any student is not able to access the test due to internet disruption or not able to participate in the virtual interview process for the company.

4. In case of any query - If any student faces any kind of problem during the process, then they can put up queries to the assigned faculty coordinator of their respective branches.

All students are instructed to strictly follow the below rules during Online Assessments (OA) and recruitment drives:

Notice – Revised Placement Discipline Rules

(Dated 15th July 2025, TPC OFFICE)

1. Cheating = 3 Months Ban

- Any cheating (mobile, hotspot, software, impersonation, copying, etc.) will lead to 3 months debarment.
- Repeat offense = permanent ban from placements.

2. Absence after Registration = Punishment

- If you register but don't appear, you will be debarred from the next 3 companies.
- Second time = 5 companies debarred.
- Third time = permanent removal from campus drives.

3. Prior Approval Needed

- If you can't attend OA due to genuine reasons (personal health/accident or any other), inform tpc via email: onlinetpwnitb@gmail.com (No handwritten/printed Application will be accepted) at least one day before so that the information can be shared with the HR timely.

4. Bags & Mobiles Strictly Prohibited

- No bags inside labs/ interview rooms.
- Only one blank register + transparent stationery box allowed.

5. Records Maintained

- Every violation will be recorded. Multiple offenses = stricter punishment.

6. Zero Tolerance

- No excuses will be entertained. Strict action will be taken without exception.
- Attendance in TPC registers is compulsory. No excuses if the student does not sign during OA exams.

All students are advised to follow the rules sincerely.

Strict discipline is essential for better placements.

Revised Guidelines & Actions

(Dated 06th December 2025, TPC OFFICE)

1. Supervised Assessments

- Wherever possible, online tests will be conducted in institute computer labs under faculty supervision.
- CCTV monitoring will be ensured in all exam venues.

2. Proctoring & Monitoring

- Random checks may be carried out by TPC representatives.
- Use of multiple devices, screen sharing, or unauthorized software is strictly prohibited.

3.Prohibited Practices

- Accessing external help through AI tools or remote access software.
- Switching windows, tabs, or sharing test material with others.
- Any form of collusion, impersonation, or malpractice.
- Mobile phones are strictly prohibited during assessments and interviews and must be switched OFF before starting the OA/interview.
- If a student is found using a hotspot through a mobile phone, strict action for cheating will be taken.
- It is the student's duty to keep their phone switched off during the campus process.
- VPN usage is not allowed during online assessments.

4.Penalties for Misconduct

- Students found guilty of unfair means will be debarred from company drives for three months (duration may vary based on severity).
- After registration, failure to attend the Online Assessment (OA) will result in debarment from 3 companies, while failure to appear for interviews will lead to debarment from 5 companies.
- Repeated offenders will be permanently excluded from the placement process.
- Such cases will also be reported to the respective HOD and Dean.
- After one month, after reviewing the students class attendance, timely assignment submission, marks in class tests/exams and behaviour, the penalty may be considered to be reduced.

5.Institute–Recruiter Collaboration

- The institute will provide full support to recruiters by arranging labs, faculty invigilators, and technical facilities to ensure fairness in assessments.

6.Leave & Non-Attempt Protocol

- Prior Intimation: Students who have registered for an OA/interview but are unable to attempt must inform the Placement Cell at least one day prior via email to onlinetpwnitb@gmail.com.
- All information should reach undersigned before 5.30 pm if the student is unable to appear for the campus drive.
- Travel Leave: Students going home must submit a valid ticket for record purposes.
- Medical Leave: Students must submit a valid medical certificate if unable to attend due to health reasons.
- Important: TPC will not permit students to attempt OA or interviews from outside the campus.

Important Note to Students

- Placements cannot be achieved without consistent study and preparation. Shortcuts may help in clearing tests, but students are easily exposed during technical interviews, leading to embarrassment and loss of credibility.
- All students are therefore advised to maintain the highest standards of honesty and integrity throughout the recruitment process.
- It is also the responsibility of every student to immediately inform proctors if they notice any activity against the policies during campus recruitment. This ensures fairness and helps deserving candidates secure placements.
