

MAULANA AZAD NATIONAL INSTITUTE OF TECHNOLOGY, BHOPAL

PLACEMENT REPORT 2025-26

13 April, 2026

ELECTRICAL ENGINEERING

EE : Batch 2025-26

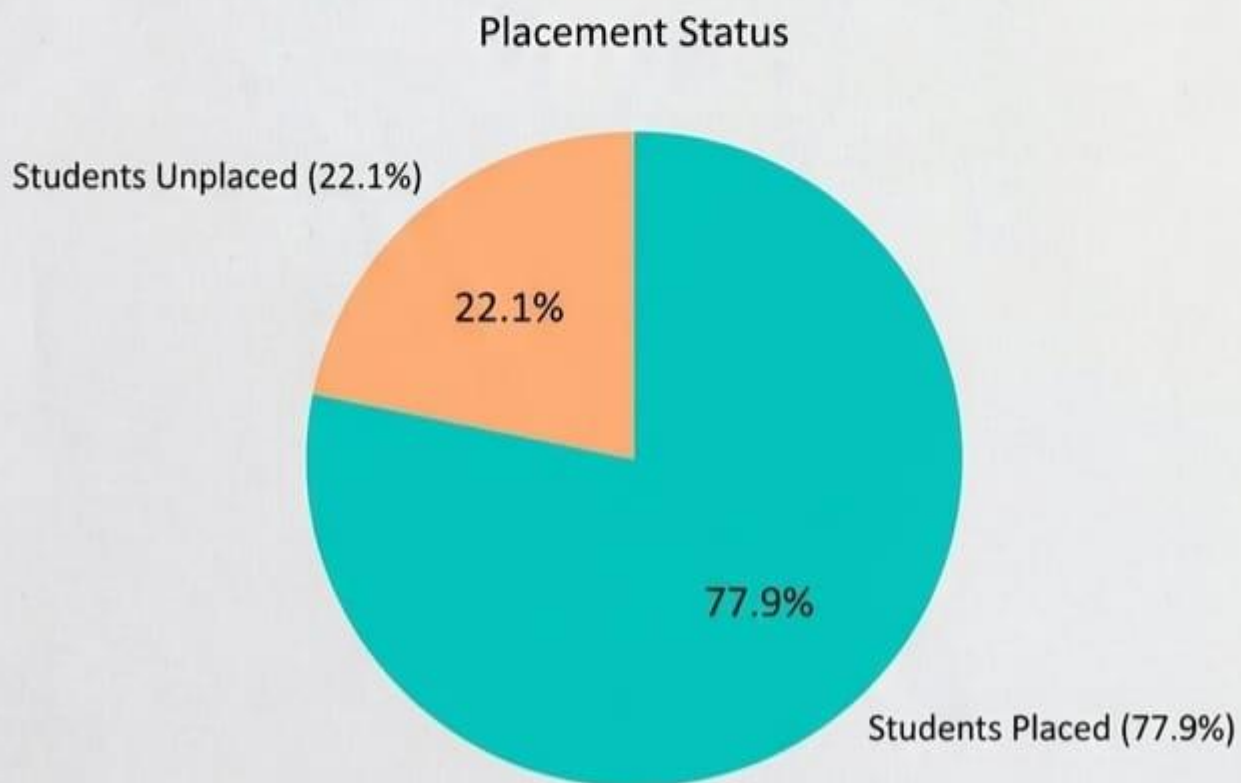

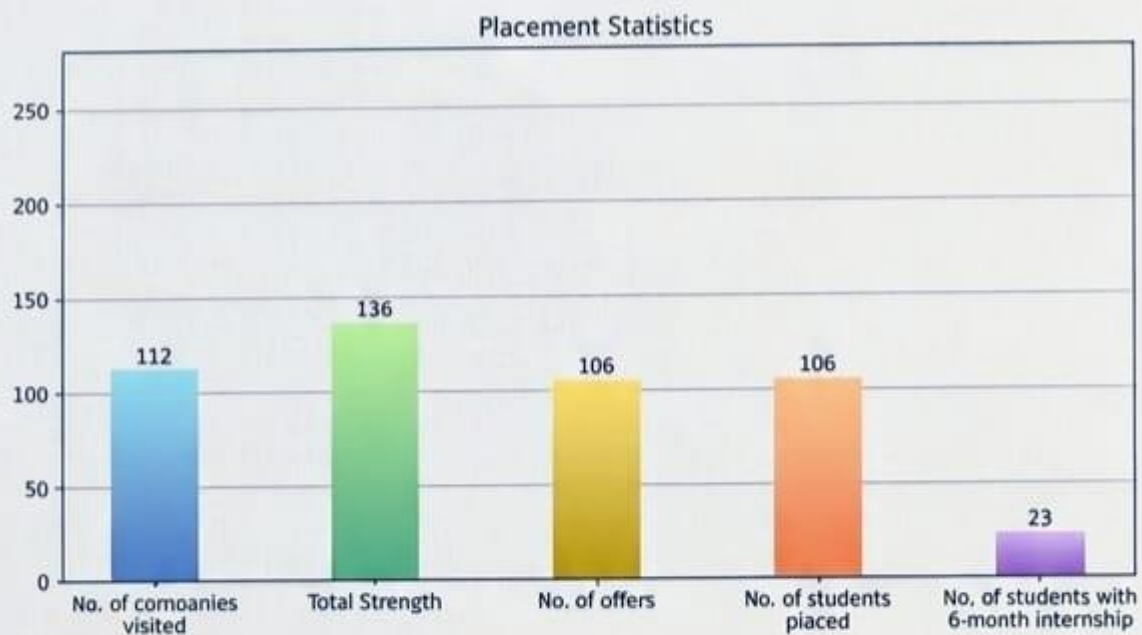

The Department of Electrical Engineering is one of the oldest and most prominent departments of the institute, serving both undergraduate (UG) and postgraduate (PG) students since its inception. It offers a four-year Bachelor's program in Electrical Engineering, designed to provide a strong foundation in core concepts along with practical and analytical skills.

The department is supported by a team of dedicated and well-qualified faculty members actively engaged in research areas such as Electrical Machines, Power Systems, Electrical Drives, and Power Electronics. Well-equipped laboratories further enhance learning by enabling students to perform a wide range of experiments and gain hands-on experience.

In addition to core subjects, the curriculum includes interdisciplinary courses like Data Structures & Algorithms and Artificial Intelligence, ensuring that students stay aligned with modern technological advancements. Overall, the department focuses on delivering quality education while preparing students for both industry and research careers.
